2) KYC COMPLIANCE WITH ANTI MONEY LAUNDERING (AML) REGULATIONS

In accordance with requirements under the Prevention of Money Laundering Act, 2002, (PMLA) the Rules issued there under and the guidelines and circulars on Anti-Money Laundering issued by SEBI, (collectively "AML Regulations"), mutual funds are required to formulate and implement Client Identification Programme to verify and maintain the record of identity and address(es) of investors. This is commonly referred to as 'Know Your Client' guidelines (KYC).

With a view to streamline implementation of KYC procedures and ensure compliance with the AML Regulations, the mutual fund industry had collectively put in place arrangement with an independent agency (CDSL Ventures Limited) that acted as central record keeping agency ('Central Agency'), and as Central Agency had the responsibility for collection of documents relating to identity and address of investors.

In order to avoid duplication of KYC process with every SEBI registered intermediary and with a view to bringing about uniformity in the KYC requirement and a mechanism for centralization of the KYC records in the securities market, SEBI has vide its various circulars and the SEBI (KYC Registration Agency) Regulations 2011, introduced common KYC across market intermediaries.

With effect from January 01, 2012 ("Effective Date"), SEBI has introduced a common KYC Application Form for all the SEBI registered intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investment Schemes, etc.

Following are the KYC requirements for new / prospective investors and existing investors:

i. KYC requirements for new / prospective investors:

New/ Prospective Investors are requested to use the common KYC Application Form and carry out the KYC process including In-Person Verification (IPV) with any SEBI registered intermediaries including mutual funds. The KYC Application Forms are available on the website www.unionmf.com.

The Mutual Fund shall perform the initial KYC of its new investors and may also undertake enhanced KYC measures commensurate with the risk profile of its investors in line with the aforesaid circulars / Prevention of Money Laundering Act, 2002, and circulars thereto. The Mutual Fund shall upload the details of the investors on the system of the KYC Registration Agency (KRA). Registrar & Transfer Agent (RTA) of the Mutual Fund may also undertake the KYC of the investors on behalf of the Mutual Fund. On receipt of initial/updated KYC documents from the Mutual Fund, the KRA shall send a letter to the investor within SEBI prescribed timelines, confirming the details thereof.

It is mandatory for intermediaries including mutual funds to carry out In-Person Verification (IPV) of its new investors from the Effective Date. The IPV carried out by any SEBI registered intermediary can be relied upon by the Mutual Fund. The AMC and National Institute of Securities Markets (NISM)/Association of Mutual Funds in India (AMFI) certified distributors who are Know Your Distributor (KYD) compliant are authorised to undertake the IPV for Mutual Fund investors. Further, in case of any applications received directly (i.e. without being routed through the distributors) from the investors, the Mutual Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks.

Further, the Government of India has authorized the Central Registry of Securitization and Asset Reconstruction and Security interest of India (CERSAI), to act as, and to perform the functions of, the Central KYC (CKYC) Records Registry under the PML Rules 2005, including receiving, storing, safeguarding and retrieving the KYC records in digital form of a client, as defined in the Prevention of Money Laundering Act, 2002. Every reporting entity is required to capture the KYC information for sharing with the Central KYC Records Registry (CKYCR). Accordingly, the investors shall be required to provide requisite KYC information/ documents as prescribed by CERSAI and the AMC from time to time. Investors who have already completed CKYC and have a KYC Identification Number (KIN) can invest in the Mutual Fund by quoting the KIN and by submitting a self certified copy of PAN and by completing In-Person Verification (IPV) as mentioned above

ii. KYC requirements for existing investors:

Existing KYC compliant investors of the Mutual Fund can continue to invest as per the current practice. However, pursuant to SEBI circular no. MIRSD/ Cir-5 /2012 dated April 13, 2012 and subsequent SEBI communication, investors who had completed the erstwhile Centralised Mutual Fund KYC through CDSDL Ventures Limited, are required to provide KYC details and complete IPV as per the new KYC requirements, which was not mandated earlier.

It is mandatory for all categories of investors to be KYC compliant for any amount of investment.

AMC reserves the right to reject application forms for transactions in units of the Mutual Fund not accompanied by common KYC Application Form or letter/ acknowledgement issued by the KRA/KIN issued by CERSAI. The KYC compliance status of the investors will be validated with the records of the KRA/CERSAI. For units held in demat form the KYC performed by the Depository Participant of the applicants will be considered as KYC verification done by the Trustee/AMC. In relation to implementation of the SEBI Guidelines on identification of Beneficial Ownership, the AMC reserves the right to call for such information / documents from the investors that the AMC deems fit.

For further details, please refer to the Section on "Prevention of Money Laundering and Know Your Client ("KYC") requirements" in the Statement of Additional Information (SAI).

D. BANK ACCOUNT DETAILS / MULTIPLE BANK ACCOUNTS REGISTRATION

1. **To protect the interest of the applicants / investors from fraudulent encashment of cheques and as per the SEBI Regulations, it is mandatory for all investors of mutual fund schemes to provide their bank mandate. Applications without the mandatory bank details are liable to be rejected.**
2. The investor agrees that the proceeds towards redemptions and dividends will be despatched by the AMC or its Registrar & Transfer Agent through a reasonable mode of despatch like courier, post etc. in case of cheque/ demand draft or directly credited to the bank account of the minor held singly or jointly with the parents or legal guardian (as per the details mentioned by the applicant) by using direct credit facility, RTGS or NEFT entirely and solely at the risk of the investor. The Fund may from time to time commence / discontinue Direct Credit arrangements with various banks for direct credit of redemption / dividends.
3. Multiple Bank Accounts Registration Facility:
 - (i) Mutual Fund offers its investors facility to register multiple bank accounts for pay-in (except SIP, if any) & payout purposes and designate one of the bank account as "Default Bank Account". This facility can be availed by using a designated "Bank Accounts Registration Form". In case of new investors, the bank account mentioned on the purchase application form used for opening the folio will be treated as default bank account till the investor gives a separate request to register multiple bank accounts and change the default bank account to any of the other registered bank account. Registered bank accounts may also be used for verification of pay-ins (i.e. receiving of subscription funds) to ensure that a third party payment is not used for mutual fund subscription. Default Bank Account (**Only if Bank Account is held singly by Minor or jointly with the parents or legal guardian**) will be used for all dividend and redemption payouts unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds.
 - (ii) For registering bank details, please enclose cancelled cheque leaf for each of such banks accounts which will help in verification of the account details and register them accurately. The application will be processed only for such accounts for which cancelled cheque leaf is provided. Accounts not matching with such cheque leaf thereof will not be registered. If the bank account number on the cheque leaf is handwritten or Minor Unit Holder or Parent/Guardian's name is not printed on the face of the cheque, bank passbook with current entries not older than 3 months having the name, address and the account number of the Minor Unit Holder or Parent/Guardian should be enclosed.
 - (iii) Any request without the above mentioned documents will be treated as invalid and will not be acted upon and any financial transaction, including redemptions will be carried with the previous details only. The AMC reserves the right to observe a cooling-off period of 10 calendar days for validation and registration of new bank account and to disallow redemption payouts into such bank accounts till completion of such cooling-off period.
 - (iv) **Investors holding units only in non-demat form can avail the facility of registering multiple bank accounts by filling in the 'Bank Accounts Registration Form' available at our Investor Service Centres (ISCs).**
4. In respect of new subscription/new folio creation, in case the bank mandate mentioned in the application form by the Investor for effecting payouts is not the same as the bank account from which the investment is made, the Investor would be required to provide additional documents i.e. either a **Cancelled original cheque of the bank account with Minor OR Minor AND Parent/Guardian's name and bank account number printed on the face of the cheque; or Bank Passbook with current entries not older than 3 months having the name, address and account number of Minor OR Minor AND Parent/Guardian's name**, in relation to the bank mandate, to enable the AMC to validate that the bank mandate belongs to the Investor. **Where such additional documents are not provided for the verification of bank account mentioned in the application form, the AMC reserves the right to consider the Bank Account (Only if Bank Account is held singly by Minor or jointly with the parents or legal guardian) used towards subscription payment as the registered bank account (bank mandate) for the purpose of effecting payouts such as redemptions and dividends.** For more details in this regard please refer to **Point viz. 'Bank account details mandatory for all Investors'** under section 'How to Apply?' of the SAI.

5. Proceeds of any redemption request will be sent only to the bank account of the minor held singly or jointly with the parents or legal guardian that is already registered in the folio at the time of redemption transaction processing. Applicant may choose to mention any of the existing registered Bank Account (**Only if Bank Account is held singly by Minor or jointly with the parents or legal guardian**) with redemption request for receiving redemption proceeds. If no registered bank account is mentioned, default bank account will be used. If redemption request is received together with a change of bank account (unregistered new bank account) or before verification and validation of the new bank account, the AMC reserves the right to process the redemption request to the currently registered default old bank account.

Further, such investment in schemes of Mutual Funds shall be considered within the limit of 0% to 35% for Debt and Money Market Instruments mentioned in the asset allocation table herein above.

A part of the total assets may be invested in the Tri-Party Repos on Government Securities or Treasury Bills (TREPS) to meet the liquidity requirements subject to regulatory approval, if any. Further, the investment in TREPS shall not exceed 35% of the net assets of the Scheme. However, the exposure to TREPS may exceed the limit specified above at the time of building up the portfolio of the Scheme post New Fund Offer.

The Scheme does not intend to invest in overseas/foreign securities or participate in repo/ reverse repo transactions in corporate debt securities or engage in short selling or participate in credit default swap transactions.

Pending deployment of funds of the Scheme, in securities in terms of the investment objective, and for margin purposes, the AMC may park the funds of the scheme in short term deposits of scheduled commercial banks, subject to clause 12.16 of the SEBI Master Circular for Mutual Funds dated May 19, 2023.

At all times the portfolio will adhere to the overall investment objective of the scheme.

Please refer the Scheme Information Document (SID) of the Scheme for further details.

INVESTMENT STRATEGY : The investment objective of the Scheme is to generate long term capital appreciation by investing in a mix of securities comprising of equity, equity related securities and debt instruments as per the asset allocation pattern of the Scheme with a view to provide investment solution to investors. To meet the investment objective, the scheme shall follow an active investment strategy and will invest minimum 65% of its net assets in equity and equity related securities, which in the opinion of the Fund Manager offers superior risk reward payoff. The Fund Manager has the discretion to invest in equity and equity related instruments, debt and money market instruments and such other securities as specified, in line with the asset allocation pattern of the Scheme and within stipulated limits and by adhering to various norms and regulations.

The fund manager could use derivatives within the permissible limits for hedging and rebalancing the portfolio or such other purpose as may be permitted under the Regulations from time to time.

Investment in debt securities will be guided by credit quality, liquidity, interest rates and their outlook.

The Scheme may also invest in the units of REITs and InvITs for diversification, subject to conditions prescribed by SEBI from time to time.

RISK PROFILE OF THE SCHEME : Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment.

Scheme specific Risk Factors are summarized below:

Due to lock-in requirements under the Scheme, the ability of the unit holders to redeem units and realise returns is subject to the completion of the said lock in period.

Subject to the investment objective of the Scheme, the scheme shall invest minimum 65% of its net assets in equity and equity related securities and shall inherit risks that are specific to equity as an asset class. The Scheme may also invest in debt and money market instruments and in units issued by REITs and InvITs.

The Scheme related risks include but are not limited to market risk, business risk, derivatives risk, concentration risk, interest rate risk, re-investment risk, basis risk, spread risk, liquidity risk, credit risk/ default risk, counterparty risk, duration risk, settlement risk, performance risk, prepayment risk etc. Further, the securities invested by the Scheme may take longer than the time expected by the Fund Manager to appreciate which may adversely affect the return of the Scheme.

Risks associated with investments in Equity and Equity related instruments:

Investments in equity and equity related securities involve a degree of risk and investors should not invest in equity schemes unless they afford to take the risk of losing their investment.

Equity instruments by nature are volatile and prone to price fluctuations on a daily basis due to both micro and macro factors. Volatility in the capital markets, changes in policies of the Government, taxation laws or any other political and economic development may negatively affect the prices of the securities invested in by the Scheme. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of some of the investments. The Scheme may inter-alia also may be exposed to the risk arising from over exposure to a few securities/issuers/sectors.

Risks associated with Investments in Fixed Income Securities:

The NAV of the Scheme, to the extent invested in Debt and Money Market securities, will be affected by changes in the interest rates due to various factors such as government borrowing, inflation, economic performance etc. The NAV of the Scheme is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.

Investments in Fixed Income securities may inter-alia carry Re-investment Risk, Spread Risk, Credit/Default Risk and Prepayment Risk.

Risk factors associated with instruments having special features:

If the Scheme invests in debt instruments having special features, the following risks associated with debt instruments having special features will be applicable. The risk factors stated below for investment in debt instruments having special features are in addition to the risk factors associated with Fixed Income Securities/Bonds stated above:

- The Scheme may invest in certain debt instruments with special features which may be subordinated to equity and thereby such instruments may absorb losses before equity capital. The instrument may also be convertible to equity upon trigger of a pre-specified event for loss absorption. Additional Tier I bonds and Tier 2 bonds issued under Basel III framework are some instruments which may have above referred special features.
The debt instruments having such special features as referred above, would be treated as debt instruments until converted to equity.
- The instruments may be subject to features that grant the issuer a discretion in terms of writing down the principal/coupon, to skip coupon payments, to make an early recall etc. Thus debt instruments with special features are subject to "Coupon Discretion", "Loss Absorbency", "Write down on Point of Non-Viability (PONV) trigger event" and other events as more particularly described as per the term sheet of the underlying instruments.
- The instruments are also subject to Liquidity Risk pertaining to how saleable a security is in the market. The particular security may not have a market at the time of sale due to uncertain/insufficient liquidity in the secondary market, then the scheme may have to bear an impact depending on its exposure to that particular security.

Risks associated with investments in Derivatives:

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk Factors Associated with Securities Lending

Securities Lending is a lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. There are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary.

Risks associated with investing in Securities Segment and Tri-party Repo trade settlement:

The mutual fund is exposed to the extent of its contribution to the default fund of CCIL at any given point in time i.e. in the event that the default waterfall is triggered and the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, the scheme may lose an amount equivalent to its contribution to the default fund.

Risks associated with transaction in Units through stock exchange(s):

In respect of transaction in Units of the Scheme through BSE and/ or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing/ settlement by BSE and/ or NSE and their respective clearing corporations on which the Fund has no control.

Risk factors associated with investments in REITs and InvITs:

Investment in REITs and InvITs carry Liquidity Risk, Re-investment Risk, Price Risk, Interest Rate Risk, Credit Risk, Regulatory/Legal Risk.

Risk associated with Segregated Portfolio:

If segregated portfolio is created pursuant to clause 4.4 of SEBI Master Circular for Mutual Funds dated May 19, 2023 from time to time, the following risks associated with segregated portfolio will be applicable: The unit holders may note that no redemption and subscription shall be allowed in the segregated portfolio. However, in order to facilitate exit to unit holders in the segregated portfolio, the AMC shall enable listing of units of segregated portfolio on the recognized stock exchange. The risks associated in regard to the segregated portfolio are as follows:

- The investors holding units of the segregated portfolio may not be able to liquidate their holdings till the time of recovery of money from the issuer.
- The security comprising the segregated portfolio may not realize any value.
- Listing of units of the segregated portfolio on a recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units of the segregated portfolio on the stock exchange.
- The trading price of units on the stock exchange may be significantly lower than the prevailing Net Asset Value (NAV) of the segregated portfolio.

Please refer the SID for further details.

RISK MITIGATION STRATEGIES : The asset allocation of the Scheme will be steadily monitored and it shall be ensured that investments are made in accordance with the scheme objective and within the regulatory and internal investment restrictions prescribed from time to time. A detailed process has been designed to identify measure, monitor and manage portfolio risk.

Some of the risks and the corresponding risk mitigating strategies are listed below:

Risk	Risk mitigation strategy
Market Risk The scheme is vulnerable to price fluctuations and volatility changes, which could have a material impact on the overall returns of the scheme.	Endeavour to have a well- diversified portfolio of good companies with the ability to use cash/derivatives for hedging.
Business Risk Risk related to uncertainty of income caused by the nature of a company's business and having an impact on price fluctuations.	Portfolio companies carefully selected to include those with perceived good quality of earnings.
Derivatives Risk Various inherent risks arising as a consequence of investing in derivatives.	Continuous monitoring of the derivatives positions and strict adherence to the regulations.
Concentration Risk Risk arising due to over exposure to few securities/issuers/sectors	Ensuring diversification by investing across the spectrum of securities/issuers/sectors.
Liquidity Risk Risk associated with saleability of portfolio securities	Monitor the portfolio liquidity periodically.
Performance Risk Risk arising due to changes in factors affecting markets.	Endeavour to have a diversified portfolio of good companies carefully selected to include those with perceived good quality of earnings.

- Growth Option:** This option is suitable for investors who are not seeking IDCW but who invest only with the intention of capital appreciation.
- IDCW Option:** This option is suitable for investors seeking income through IDCW declared by the Scheme. Under this option, the scheme will endeavour to declare IDCW from time to time. The IDCW shall be dependent on the availability of distributable surplus.

When units are sold, and sale price (Net Asset Value) is higher than face value of the unit, a portion of sale price that represents realized gains is credited to an Equalization Reserve Account which can be used to pay IDCW. Investors are requested to note that, under the aforesaid Option, the amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains. Whenever distributable surplus will be distributed, a clear segregation between income distribution (appreciation on NAV) and capital distribution (Equalization Reserve) shall be suitably disclosed in the Consolidated Account Statement provided to investors.

At the time of making any payment as aforesaid the AMC may require any additional information or documentation it deems fit as proof of guardianship including but not limited to procuring an indemnity bond.

Unitholders can move from one scheme to another scheme or between plans of the Scheme or between options of the Scheme according to their needs, subject to completion of lock in period as applicable.

Upon completion of lock-in period, subsequent switches of units within the Scheme shall not be subject to further lock-in period.

In case of redemption for higher education after class tenth, a certified true copy of the mark sheet and / or any other document as may be required should be submitted along with the redemption request. The facility of redemption under exceptional circumstances will be considered on a case-to-case basis by the AMC. Systematic Transfer Plan Intello Facility (hereinafter referred to as STP Intello Facility):

STP Intello Facility is a facility wherein unit holder(s) can opt to transfer **variable amount(s)** from designated open ended Scheme(s) of Union Mutual Fund [hereinafter referred to as "Source Scheme"] to the designated open ended Scheme(s) of Union Mutual Fund [hereinafter referred to as "Target Scheme"] at defined intervals. The Unitholder would be required to provide a Base Instalment Amount that is intended to be transferred to the Target Scheme. The actual amount of transfer to the Target Scheme will be determined on the basis of the **Unhedged Equity Portfolio of Union Balanced Advantage Fund, an Open-ended Dynamic Asset Allocation Fund (hereinafter referred to as "UEUBAF")**. Based on the UEUBAF and the corresponding multiplier factor, the actual amount of STP will be derived for the Source Scheme and such amount will be transferred to the Target Scheme. This STP amount will change on a monthly basis depending on the UEUBAF.

The Scheme(s) eligible for this facility are as follows:

Source Schemes: Union Liquid Fund, Union Dynamic Bond Fund, Union Corporate Bond Fund, Union Overnight Fund, Union Medium Duration Fund, Union Money Market Fund, Union Arbitrage Fund, Union Equity Savings Fund and Union Gilt Fund.

Target Schemes: Union Flexi Cap Fund, Union Tax Saver (ELSS) Fund, Union Small Cap Fund, Union Largecap Fund, Union Value Discovery Fund, Union Focused Fund, Union Large & Midcap Fund, Union Midcap Fund, Union Balanced Advantage Fund, Union Hybrid Equity Fund, Union Retirement Fund, Union Multicap Fund, Union Children's Fund and Union Innovation & Opportunities Fund.

The key features of this Facility are as follows:

- The STP Intello frequency will be monthly.
- The investor would be required to provide a Base Instalment Amount that is intended to be transferred to the Target Scheme. The minimum Base Instalment Amount for availing this facility shall be ₹ 1,000/- and in multiples of ₹ 1/- thereafter.
- Minimum number of instalments will be 6 instalments.
- The UEUBAF as of the month end will be available on the website www.unionmf.com. This data

will be uploaded on the website on a monthly basis. The STP transfers for the month will be based on the levels of UEUBAF for the preceding month end.

- To derive the amount of transfer from the Source Scheme to the Target Scheme, the Base Amount selected by the investor shall be multiplied with the Multiplier figure given in the table below depending on the UEUBAF level for the preceding month end.

Example 1: If the UEUBAF level for the end of March 2022 is 34% and the Base Amount for STP Intello selected by the investor is ₹ 10,000, then ₹ 4,000 (which is 0.40 multiplied with ₹ 10,000) shall be transferred from the Source Scheme to the Target Scheme on the STP date in April 2022.
